-------------	----

Designed and Built in America.

ALL AMERICAN CUISINE SEALED BURNERS

The All American Cuisine Sealed Burner is a classic burner made with power, efficiency, and cleaning in mind, built with 3 sizes!

- 25,000 BTU Browning Burner
- 18,000 BTU Sauteing Burner
- 13,000 BTU Melting Burner

PERFORMER LIFT-OFF COMMERCIAL STYLE OPEN BURNERS

Performer open burners facilitate cleaning of boil-overs. Up to 25,000 BTUs for large stock pots, woks, sauteing, you name it.

- 25,000 BTU Browning Burner
- 18,000 BTU Sauteing Burner
- 12,000 BTU Melting Burner

Grills:

- 15,000 BTUs per 11" section.
- Porcelain grate for easy cleaning.
- Stainless steel grease collector
- Flame sensor and re-ignition.

Griddles:

- 20,000 BTUs per 11" section.
- Drip tray to manage messes.
- Easy to season to keep your griddle ready to go

Iconica Electric Oven Features:

- Innovation Convection Oven
- Bake element 3,500 watts
- Infrared Broil element 3,500 watts
- Soft close oven doors.
- The electronic controller creates uniform air flow by cycling different elements depending on cooking mode.

- Convection element 2,500 watts
- Modes: Bake, Convection Bake, Broil, Roast, Convection Roast, Warm, Proof, Dehydrate, Clean
- 10-Pass Infrared broiler provides rapid searing at 1,800°F
- Large oven cavity accommodates full size commercial sheet pan.

THE CUSTOM COLORS OF AMERICAN RANGE

We offer many colors and custom options to choose from.

Product customization, other than colors, is typically a matter of changing burners, or griddle/grill positions on the top of a range.

We do all we can to accommodate your every need.

We offer any color of your choice! Just visit www.ralcolorchart.com, pick your color, and provide us with the number.
